WHAT IS CRYPTOCURRENCY?

- Cryptocurrency is a new form of digital currency or you can see it as a digital assets which uses cryptography to secure its transactions, control the creation of additional units, and verify the transfer of assets.

WHAT IS STAKING?

Staking is a great way to maximize your holdings in staking coins that would otherwise be sitting in your wallet. Once you have staked your assets you can earn staking rewards on top of your holdings and grow them further by compounding those future rewards.
